Network marketing is a **sales strategy** that relies on a network of **distributors** to sell products. It is also known as **multi-level marketing** or **MLM**. Distributors are compensated not only for their sales, but also for the sales of the people they recruit. This creates a **powerful incentive** to build a strong team.

What is Network Marketing

It also creates a **sense of community** and **camaraderie** among distributors. Finally, it offers **unlimited earning potential** based on your ability to build a strong team.

Keys to Success in Network Marketing
